

CALL FOR SUPPORT!

Interconected Refugee & Migrant Movements - Protest March against Fortress Europe! From Strasbourg to Brussels, May and June 2014

On a very high level of rascist and prohibitive policies against refugees and migrants decides the european council and the european ministers of foreign affairs. Reacting to the recent admitted mass drowings in the Mediteranien they came only to the conclusion of the armament of the forces to control and prevent aggressively peoples movement, such as frontex. They will hold their next summit at the 26th and 27th of June in Brussels.

Different groups of the refugee and migrant movements in europe plan a Protest March from Strasbourg to Brussels. Starting short befor the european parliament elections end of May the marching refugee and supporting activists will walk about 450 km within one month. In the action week befor the councils summit we will rise our protest against the policies of fortress europe!

A group of people active or supportive in the Refugee Movement from Oranienplatz in Berlin startet to mobilize for the march and preparing the action. For this we would be happy about many differnt kind of support your, find some ideas on the back!

For any questions or ideas, proposals, information you can reach us per mail: freedomnotfrontex@riseup.net or visit our blog: freedomnotfrontex.noblos.org

or meet us almost every sunday at 3 pm at Cafe Kotti in Berlin/Kreuzberg, just ask at the counter for the plenums room.

Thanx a lot and see you on the street!!!
